

**WSC Academy, Lead Administrator Compensation Information**

The Academy is a public charter school that has contracted with Work Skills Corporation to act as the Educational Services Provider (ESP). The human resource services provided by Work Skills Corporation make them the employer of record for all staff working at WSC Academy. Therefore, WSC Academy does not have any employees that are subject to the reporting requirements detailed in MCL 388.1618 (2)(d).

To cooperate with the transparency requirements provided by the Michigan Department of Education, Work Skills Corporation is providing the salary, benefits, and retirement of the lead school administrator. This employee is not an employee of WSC Academy, but an employee of Work Skills Corporation.
